SRW CONTRACTOR MEMBERSHIP BENEFITS

Networking – NCMA connects you, your company, and your employees to industry leaders, helping you build rewarding relationships with business partners that enhance your success.

Contractor Promotion – SRW Contractors are promoted the *NCMA Membership Directory* and on-line through the NCMA Web site, and through other industry forums.

SRW Installer Certification – NCMA SRW Installer Certification provides your installers with:

- Recognition of their achievement.
- The ability to promote your employees' competency.
- A place at the forefront of your industry.
- NOTE: One (1) NCMA SRW Installer Certification application fee included with paid SRW Contractor membership (value \$150).

Marketing – Contractor members have the opportunity to utilize NCMA produced marketing materials to promote their business.

Industry Promotion – NCMA expands the market and advances the hardscapes industry through various activities. Contractor members have the opportunity for active participation with NCMA staff through:

- Committee Membership
- Research and Development
- Government Advocacy
- Codes and Standards Support
- Workforce Development
- Market Development and Retention

Annual Convention and Trade Show – NCMA sponsors an Annual Convention and the International Concrete Exposition (Icon Expo), which features exhibitors highlighting the most innovative product and equipment offerings associated with SRW systems and accessories. NCMA members receive discount attendance packages, access to a full slate of educational programs, and exposure to peers, material suppliers, and other business partners.

Technical Assistance – Contractor members have full access to NCMA's toll free hotline at 877-343-6268, where engineers are available to address technical inquiries.

Education – NCMA provides you with cutting edge information to increase your business skills and knowledge, and enhance your employees' knowledge, skills, and help them achieve and maintain their certification. Members receive discounts on NCMA offerings, including:

- SRW installer and advanced installer courses
- Hands on SRW installation courses
- Business and marketing course.
- Customer service course.
- Negotiating skills course.

NOTE: SRW Contractor members in good standing are eligible to receive a \$25 rebate for each employee successfully completing the NCMA SRW Installer Certification course.

NCMA Technical Publications and Software – Contractor members receive discounts on publications, including:

- *Design Manual for Segmental Retaining Walls, Third Edition*
- *Segmental Retaining Wall Installation Guide*
- *Inspection Guide for Segmental Retaining Walls*
- *TEK Manual for Concrete Masonry Design and Construction*
- *Retaining Walls – A Building Guide and Design Gallery*
- *SRW Design Software ...and more.*

Design and installation Award – NCMA annually recognizes contractors and installers for outstanding achievements in the design and installation of SRW projects.

Industry News – Contractor members are regularly kept informed of developments within the hardscape industry through the weekly *e-News Brief* and the bi-monthly *Concrete Masonry Designs* magazine.
